

Communications intern specialized in social media

Do your friends look to you for the latest social media trends, ideas and online memes?

We are seeking a Communications intern with a good knowledge of digital communications in particular.

This is a great opportunity for you to show off your skills – no photocopying or coffee fetching. We need someone who is able to take on some serious responsibilities and hit the ground running.

You'll be working with the communications team to help transform our association's profile.

Are you ready to take on the challenge?

**The 6-month position is paid and benefits include a monthly STIB membership and meal vouchers.*

Responsibilities:

Online community management: developing and maintaining a social media editorial calendar, writing content, coordinating engagement with our online community, running analytics.

Conducting daily media and social media monitoring

Supporting the communications team on all other aspects of our work, including event planning activities

Requirements:

Solid background in communications, in particular social media

Knowledge of tracking social media analytics

Strong communication skills

Native or close to native level English

Creativity, flexibility, outside the box thinking

Bonus skills: Experience designing and creating compelling visual content

To apply send your CV and cover letter to angela.pauuly@unife.org. Please put 'Communications Intern' in your subject line. Interviews will be ongoing. Deadline for applications: March 17

Who we are:

UNIFE represents the European rail supply industry at EU and international level. The Association brings together 80 member companies involved in engineering, design, manufacture and maintenance of rail transport systems, subsystems and related equipment, as well as 14 national rail industry associations. UNIFE members have an 86% market share in Europe and supply nearly half of the worldwide demand for rail equipment and services.
